# Top Outdoor Events of 2018

December 17, 2018

And the winner is... it's the end of the year, and we've just finished counting all of your Facebook likes (and shares) for our 2018 reviews in the Outdoor Events category. And the item that came out on top was... drum role please... the [Windjammer Angelique Yoga and Wellness Cruise](#), a multi-masted sailing adventure off the coast of Maine. Rounding out the top-3 were the ever-popular (a winner last year too!) [Sleepy Hollow Halloween 10K](#), followed by the [Umbagog Lake Women's Dogsledding Weekend](#), filled with lots of fun winter snow activities. And while there were a lot of inspiring events reviewed this year, you guys really got excited about these three. Thanks for voting with your likes (and shares) and cheering on your favorites.
